Proceedings of the Government of H.H.
the Maharaja of Mysore.

ORDER NO.L. 7036-45/VP 13-76-F

Dated, Bangalore, the 6th April 1927.

Under Rule 32 of the rules issued with -- Notification No.L.3606 L.B.26-26-101 dated 3rd December 1926, the cost of lands required for Village extensions has to be borne by the Village Panchayets concerned. Government consider that this rule should be enforced only after the --- Village Panchayets have collected or provided themselves with sufficient funds and are in a -- position to meet such charges. They further -- consider that it is also undesirable to hold up or put off necessary village extensions till the Panchayets have sufficient funds to meet the cost. They are therefore pleased to direct that as a temporary measure the cost of the lands required for village extensions will whenever necessary, be met out of State Funds by an advance to be drawn by the Deputy Commr. The Government advance will be credited to the accounts of the Village Panchayet concerned in the first instance and this amount with the contribution from the Villagers if any, will be paid towards the cost of acquiring the lands required for the village extension. The amounts realised by the sale of the sites in the extension will be credited to Village Panchayet accounts and the Government advance will be paid back after the collections are made.
